What's included in our Focus 5 offer?

- 5 full working days delivery concept received through to SHIP (excl. customer quote acceptance if standard pricing option is used)
- Units need to be on the Focus 5 list (excl. SO special build units)
- Repaired units will be returned painted with a 1 coat fast drying primer (as minimum) with Gentian Blue topcoat provided at no extra charge, but clarified upon receipt of order
- Basic inspection report as standard and enhanced report issued for units $\geq 125\text{cc}$
- Full test using original settings (from serial number) on Rexroth certified test rig
- Focus is on breakdowns - 1 to 2 units
- Guaranteed quick response times, in line with market expectations
- Opportunities to provide additional services to meet requirements

Pricing options are:

- A. "Fixed Price Repair" – upfront price regardless of condition (housing must be in a re-useable condition)
- B. "Standard" – Inspection based pricing
